SEEDING
THE FUTURE
SINCE 1856

KWS

FOLLOW THE FRESH TRAIL.

Pioneers in Vegetable.
Seed Breeding since 1956.
A Journey of Paving New Ways.

Powered with Pop Vriend Genes 

The story of KWS Vegetables reflects the entrepreneurial spirit that has driven KWS and Pop Vriend Seeds for generations. From their humble beginnings - KWS in sugarbeet breeding and Pop Vriend in vegetable seeds - both companies have always been driven by a restless curiosity and an ongoing hunger for fresh challenges. In 2019, their paths crossed as the next generation carried forward this pioneering mindset. Our rock-solid commitment to bold, fresh-forward-thinking innovation continues to shape the journey of KWS Vegetables today. By pushing boundaries and exploring new paths, we create sustainable, impactful vegetable seed solutions for generations to come.

Our Customer Team Bunching Spinach is ready to start a Fresh Journey with you.

Customer Team Bunching Spinach

At KWS Vegetables, we're committed to working side by side with our customers.

That's why we like our breeders and advisors to be close to the market, with their boots on the ground. Our dedicated Customer Team for Bunching Spinach focuses entirely on this segment, allowing us to concentrate on what truly matters to you. Together, we'll break new ground and create innovations that make a real difference.

Pe. Peronospora effusa

Same service, same people, different package.

KWS and Pop Vriend Seeds joined forces to chase a common goal: supporting healthy diets by providing innovative and sustainable vegetable seed solutions under the KWS flag.

One company, one mission, the same pioneering spirit as ever.

We've Got Your Bag.

Sow your thoughts and let them grow
